

The Respect Agenda

The Respect Agenda is a simple set of standards which every member of the school community is expected to follow in the school and work environment. These are social, moral and ethical standards that sit at the core of our beliefs and shared commitment

Pupils, staff and all members of the school community are asked to understand and uphold these standards in everything that they do.

Respect

For others; for the environment; for learning; for safety.

The Respect Code:

Responsible

- Taking responsibility for your actions

Role model

- Showing others how to behave appropriately

Enthusiastic

- Giving 100% in everything you do. Trying your best.

Equality

- Accepting everyone and treating them fairly. Considerate

Safety

- Know how to keep myself and others safe in and out of school

Skills

- Learning new things and knowing what you're good at

Positivity

- Saying that you CAN do this!
- Making the most out of every opportunity

Equipped

- Ready to learn and organised

Expectations

- Work to my best ability and sometimes do better than was expected

Clever choices

- Doing or saying things to make things better; for the benefit of myself or others

Trustworthy

- Being honest and reliable
